SEASON OPENER: AN AUDIO-VISUAL ELLINGTON DELIGHT

The summer has ended, and we look forward to enjoying Duke Ellington's music once again with others who share our enthusiasm. We are starting the season with music and the DVD *On the Road with Duke Ellington*. This DVD offers insights into the personality of Duke Ellington as well as his music.

Construction is still taking place in the Living Room of Saint Peter's Church, so we are not able to have our customary concert/party with live music this September. Nevertheless, we intend to have a wonderful program and are considering having the concert/party later in this program year. On September 17, we look forward to an excellent program full of delights for both those who know Ellington and his music well as well as for those who enjoy listening but don't consider themselves to be steeped in Duke's work.

We will meet in the Music Room. Ray Carman will present the DVD. Pianist Michael "Spike" Wilner has offered to play. www.spikewilner.com

Please join us for an evening of music and camaraderie. Bring a friend or two with you. Come prepared to renew your membership, if you have not yet done so.

We look forward to seeing you and your friends on September 17!
