Richard Ehrenzeller Celebrates
 Ben Webster with Selections from DVDs

After a short business meeting to review the past year and to elect the TDES, Inc. board for the 2009–2010 program year, Richard Ehrenzeller will once again treat the audience to an evening of selections from DVDs. This year, Richard will feature the great tenor saxophonist Ben Webster.

Among the featured items will be five soundies, a 1943 RKO *Jamboree #7*, and a 1969 memorial to Timme Rosenkrantz, a patron of jazz who was well known in New York and in his home country, Denmark. This work, from the DVD *Ben Webster in Denmark 1965–1971*, also features Teddy Wilson and comes from a tribute on Danish television.

Additional selections to be played will depend partly on the time available.

This will be the final TDES meeting of the 2008–2009 season.

Be sure to mark your calendars for the 2009–2010 season opener concert/party on Wednesday, September 16. Teri Roiger and her trio will be playing. Come and enjoy the music and get together with old and new friends.
